REPUBLICAN RALLY!

Central Hall Crowded to Listen to Hon. Horace G. Snover.

Although the time was short in which notice had been given of a republican meeting held in Central hall on Saturday afternoon last, still there was a goodly crowd to listen to the pleasing addresses of Horace G. Snover, congressional candidate and Hon. Phillip L. Wixson. In speaking of the former gentleman, we heard several say that he was just such a man as they expected to see, from what they had read and heard about him. With his frank, open countenance, his honest and gentlemanly bearing, he captured the hearers from first to last of his speech, which was clean and logical with pithy sayings and humorous anecdotes and abounding with such strong truths and arguments that a democrat would find hard to overthrow. Mr. Snover spoke at some length in regard to the many changes which the present administration had wrought in our former great prosperity and graphically gave his descriptions. We are glad to have heard Mr. Snover and glad that our people have had a chance to know for themselves what manner of man this is whom they would send to Congress. We are assured that they are in no wise disappointed. The next speaker of the afternoon, Mr. Wixson, of Crosswell, is not an entire stranger here as he gave an address in this town two years ago. This gentleman spoke last Saturday on the financial questions and the tariff and is a very earnest, warm speaker, not afraid of having his own opinions nor of letting them be known. We imagine he hit a few democrats rather strongly as we noticed them leaving the hall. Mr. Wixson is an earnest advocate of republicanism and protection and shows by his speech that he has studied deep into the subject in all its details. The afternoon was certainly well spent and enjoyed by all who attended.

Are You Ready To Give Thanks?

The past year has been a pretty hard one for most folks; but with it all, every one, if he will think the matter over calmly, has some one thing, if no more, to be truly thankful for this Thanksgiving, be it only that things are not worse. Those who have not yet made up their minds what to be thankful for should read the symposium in Demorest's Magazine for November, in which a number of well-known people give their answers to the question "What Have We to Give Thanks For?" The answers are characteristic, and will set every reader "a-thinkin'."

And this is truly a specially interesting number. The article on "The Queen of Korea" gives us glimpses of many unique things behind the scenes in the palaces of "the hermit kingdom," and the numerous illustrations, many of them from drawings by Korean artists, bring the far-away little kingdom very near to us. Those interested in getting up church entertainments should not fail to read "Living Pictures of Amateurs," which gives minute directions how to arrange them easily and quickly; and an illustrated article on "Harvest Decorations" for churches, will be found very useful at the Thanksgiving season. All the stories are especially good; in "Society Fads" and "Chat" one may learn all the latest doings of the "Four Hundred"; an excellent article on "The Breath of Life" is in "Sanitation"; "Household" and "Home Art" will aid the house-mother in her autumn preparations; the charming illustrations are a treasure-trove, and the oil-picture, "Just My Pie," will appeal to every lover of pumpkin-pie. Every member of the family is sure to find something of individual interest in every number of Demorest's, which is published for only \$2 a year, by W. Jennings Demorest, 15 E. 14th St., New York.

That Man Came Back

And said that hat deal was all over town, but he didn't care a rap as his folks were mighty well pleased and that they had sent us over a dozen customers for millinery. We don't know where they are all coming from, but we do know our girls are rushed night and day with orders and we had to send to Detroit last week for another first-class trimmer. People say it is not usual to see such rich and stylish hats and bonnets at such little prices, but its our way, so don't be surprised to get the hat for \$3 that you expected would be marked \$5. Always bargains in every department at Boice's, 519 Water street, Port Huron.

Last Notice.

To those parties who have bought twine, repairs, etc., you know it was under the distinct understanding that Oct. 1st was the last day. A good many have paid but yet there are a number who have not, and in order to pay for these goods myself I must collect. I am on the road and cannot give it my own attention, and I take this way of saying that every account and note unpaid by Nov. 1st will, without further notice, be placed in the hands of an attorney for immediate collection. My daughter will be at the store until that time to receive and receipt for same. J. H. Moore.

Our nerves are to our life, what the foundation is to a building—our life prop and support. When a foundation becomes weak, no same man would use frozen earth to strengthen it, but it would be just as wise as to try to restore the nerves with morphine, alcohol, opium or other pernicious drugs. Dr. Wheeler's Nerve Vitalizer is the solid masonry of medicine, absolutely free from injurious drugs, a permanent restorer of nerve force and health. A symptom blank with each bottle for advice and free treatment by the Doctor if desired. Ask Grant Holden, Yale.
